

Victim of Circumstance

Mudcrutch

Rollin' down easy Highway 49
Out of body and out of mind
I might get lost I might be found
Ain't no way of knowing I'm California bound

Ridin' with the breeze
Through the dogwood trees
Rollin' down easy, easy
Baby won't you please
Give me one more chance
Give me one more chance
I'm just a victim of circumstance

Rollin' down easy low on gas
Pedal to the metal trying to make it last
I might get stranded in New Mexico
Slash my tires and air is runnin' low

Ridin' with the breeze
Through the dogwood trees
Rollin' down easy, easy
Baby won't you please
Give me one more chance
Give me one more chance
I'm just a victim of circumstance
