

## Honey Bee

Muddy Waters

Sail on, sail on my little honey bee, sail on  
Sail on, sail on my little honey bee, sail on  
You gonna keep on sailing till you lose your happy home

Sail on, sail on my little honey bee, sail on  
Sail on, sail on my little honey bee, sail on  
I don't mind you sailing, but please don't sail so long

All right little honey bee

I hear a lotta buzzing, sound like my little honey bee  
I hear a lotta buzzing, sound like my little honey bee  
She been all around the world making honey  
But now she is coming back home to me
