Where do you think we've seen that girl? Chain that door, I'm outta your world

We know
We know what I mean

You made me feel like a big-time loser Chain that door, it's all over I said
You made me feel like a big-time loser Chain that door, girl, it's all over

We know
We know what I mean

See that I'm walking the way I am Why you always hang around?

We know
We know what I mean
