

## Holden [#]

Mudhoney

I can tell by the shuffle in your walk  
I can tell by the nonsense in your talk  
I can tell by the way you laugh at everything  
I'm with you man, I'm not digging this scene, no

I gotta know  
I gotta know  
I gotta know  
You Holden

Gonna fly me a rocket straight to outer space  
'Cause space is the place where anyone's free  
Hey buddy I'm short a buck  
Can you dig my rotten luck?  
Yeah, I know it don't grow on trees  
Thanks man, you're a friend indeed

Now I know  
Now I know  
Now I know  
You're Holden

I know  
I know  
I know  
You're Holden
