

In the Winner's Circle

Mudhoney

It's not as bad as it's been
I don't remember, exactly when
Still it's not as good as it used to be
Shifting sands drift like memories

Yeah I'm a winner 'cause I've got nothing left to lose
Been wrung through the wringer
And spit out a winner

I can still see you standing in the doorway
Everything went white when you walked away
The sky behind you was clear and the sun was high
My eyes were blinded, my mind went clear and I felt all right

And spit out a winner
Yeah I'm a winner 'cause I've got nothing left to lose
Been wrung through the wringer

I got nothing and that's fine with me

I got nothing and I feel all right
Been wrung through the wringer
And spit out a winner
I got nothing I got nothing and I feel free
Yeah I'm a winner 'cause I've got nothing left to lose
