

## In This Rubber Tomb

Mudhoney

I launched a rocket ship  
Deep into my brain  
I am off exploring  
Uncharted terrain

They saw I lost the picture  
Well I kept the frame  
None of you really know  
Exactly where I am

I licked the god particle  
Drank down dark matter  
Fried my inner fish  
Clicked my heels and made this wish  
There's no place like home  
There's no place like home  
There's no place like home  
And I never ever wanna go home again

They locked my body up  
In the rubber tomb  
But deep inside my mind  
I have infinite room

There's no lane for me  
In the human race  
So I'll just keep exploring  
Lost in space

I licked the god particle  
Drank down dark matter  
Fried my inner fish  
Clicked my heels and made this wish  
There's no place like home  
There's no place like home  
There's no place like home  
And never ever wanna go home again
