

Inside Job

Mudhoney

I'm always watching
From outside
I've been living like this
All my life
I've changed my mind
That I want in
Take you by surprise
When you do my in

Takes an inside job to make it easy
When it's hard
Takes an inside job to make it easy
When it's hard

It takes an inside job
To really get things done
You got to get inside
To make the changes come
You come around, You call out loud
And hold me tight, til the shit comes down

Takes an inside job to make it easy
When it's hard
Takes an inside job to make it easy
When it's hard

Oh!
Oh! Let me in, Let me in
Come on Let me in, Let me in
Takes an inside job to make it easy when its hard
Let me in, Yeah
Come on Let me in
You gotta let me in
Takes an inside job to make it easy when it's hard
Takes an inside job to make it easy when it's hard
Takes an inside job to make it easy when it's hard
Takes an inside job to make it easy when it's hard
