

# King Sandbox

Mudhoney

Always wanted more than he needs  
Always wanted more than he can take  
Always wanted more than he can handle  
Always wanted another piece of cake

King sandbox says more  
King sandbox wants more

He always gets more than he deserves  
He always dresses to suit himself  
He always takes so you can't have  
He always wants more than anybody else

King sandbox sees yours  
King sandbox wants yours

Oh

On top of his mountain  
Mountain of gold  
King of the hill  
Has got to have it all  
Now he owns the sandbox  
And his playmates  
Move in the cold  
He's a spoiled child  
Born to it all

King sandbox wants more  
King sandbox wants yours
