Para, padam padam, para  
Pararara rara, pararara rara, para

Húllabbalabbalúú, húllabbalabbalúú  
Húllabbalabbalúú, húllabbalabbalúú  
In these words we drown, in these words we drown  
In these words we drown, in these words we drown  
Deep, deep, deep down, deep, deep, deep down  
Deep, deep, deep down, deep, deep, deep...  
Húllabbalabbalúú, say kings of every land  
Húllabbalabbalúú, say him and me and you  
Húllabbalabbalúú, say birds of every land  
Húllabbalabbalúú, say them and him and me and you  
In these words we drown, in these words we drown  
In these words we drown, in these words we drown  
Deep, deep, deep down, deep, deep, deep down  
Deep, deep, deep down, deep, deep, deep...

Húllabbalabbalúú... Para, padam padam, para  
Pararara rara, pararara rara, para

Húllabbalabbalúú, say kings of every land  
Húllabbalabbalúú, say him and me and you  
Húllabbalabbalúú, say birds of every land  
Húllabbalabbalúú, say them and him and me and you  
In these words we drown, in these words we drown  
In these words we drown, in these words we drown  
Deep, deep, deep down, deep, deep, deep down  
Deep, deep, deep down, deep, deep, deep...
