

# Illuminated

múm

Illuminated  
Back on the road  
I fell in the snow  
I fell with my bike  
I melted it down  
Drank it all up  
I drank it like water

Illuminated  
Back on the road  
I fell off my bike  
Fell down in the snow  
I drank it all up  
I drank it like wine  
Drank it like water
