

There She Is

Mumm-Ra

Wake up, wake up, is it just me, is this the same dream?
Things I have wished or thought to say, things that
wouldn't matter to you anyway...but I know I can think of
better things for sure...I waited twenty years, I guess
I'll wait one more.

Imagine waking up and there she is, there she is...she's
wrapped up with a smile from a well placed kiss...because
she loves you and she always did....oh, what a dream but
that is all it is
