

Yeah  
Fall in place  
This is amazing grace  
Im 808 to change the game amongst the greats  
In favorite based upon the latest  
Pages wrote in papers  
Homies rolling papers  
Toke it up and choke it out  
The same way that it came  
Up in the game for two days ain't shit been the same  
So today I'ma prove it  
Oh God I'ma loose it  
Truth is hard for the dick that don't do shit  
Hitting this, get dismissed with the business  
Kicks in, peak this  
I ain't lying  
Speak my mind  
Feed the lions  
Keep them quiet  
Moment of silence trying to keep me behind closed doors  
Though the truth that if I die though I put up a fight for our  
lives  
Put up a fight for my life  
No more killin' my time my shines now  
I pull up in the building like whoa  
I told these other niggas I know  
I'm from the city where the buddies might roll to your moms hou  
se  
And tell her put your hands on the wall  
How you doing my dude  
That's the truth to the matter of the fact  
Truth is cause I did them like that  
Matter fact I'ma bring it right back  
Playing games, cause I did them like that  
Plain game, cause I did them like that  
Shit great if you came from the trap  
My nigga  
All that I'm hearing is sounding retarded  
Either pop mollies or getting this money  
Either go beaches and condos you fucking but airfare  
I get it you get it that something you do  
Or something you don't  
I'm just out here trying to give people hope  
I'm just out here trying to hold on the rope  
I would never stoop that low
