

Someone's Rocking My Dreamboat

Murray Head

Someone's rocking my dreamboat
Someone's invading my dreams
We were sailing along so peaceful and calm
Suddenly something went wrong

Someone's rocking my dreamboat
Disturbing a beautiful dream
It's a mystery to me, this mutiny at sea
Who can it be, who can it be?

A friendly breeze gave us a start
To a paradise of our own
All at once a storm blew us apart
And left me drifting alone

Someone's rocking my dreamboat
I'm a captain without any crew
But with love as my guide, I'll follow the tide
And I'll keep sailing till I find you
