

Defector

Muse

Free, yeah, I'm free
From your inciting
You can't brainwash me
You've got a problem

Free, yeah I'm free
From society.
You can't control me
I'm a defector.

You think you're strong
And you can't be broken
But your empire is dissolving.

You thought, You thought
I was weak
But you got it wrong
Look into my eyes,
I'm a defector.

Free, yeah I'm free
from your inciting
You can't brainwash me
You've got a problem

Free, yeah I'm free
From society
You can't control me,
I'm a defector.

Your blood is blue and
Your minds turned green and
Your belly is all yellow.

You believe
Your throne is too high
To be overthrown
We'll watch it get razed
By a defector

Free, yeah I'm free
From your inciting
You can't brainwash me
You've got a problem

Free, yeah I'm free
From society
You can't control me.
I'm a defector

I'm a defector
Free, yeah I'm free
From your inciting
You can't brainwash me
You've got a problem

Free, yeah I'm free

From society
You can't control me.
I'm a defector

We look for strength and assistance
Confident that with your help
Man will be what he was born to be: free and independent.
