

Escape

Muse

D G D G

D G
You would say anything
D G
You would try anything
D G
To escape your meaningless
D G
Your insignificance
Fis Hm
You're uncontrollable
G Fis
We are unloveable

Hm G
And I don't want you to think that I care
I never would
Hm
I never could
Fis
Again

H G
Why can't you just love her?
H G
Why be such a monster?
H G
You're burning from a distance
H G
Your brain needs some assistance

D G
But I'll still take all the blame
Fis G
Cause you and me are both one and the same
D G
And it's driving me mad
Fis G
And it's driving me mad
Fis Hm G
I'll take back all the things that I said
Fis
I admit I was always talking to the living dead

Hm G
And I don't want you to think that I care
I never would
Hm
I never could
Fis
Again
