

## Exogenesis: Symphony Part 2

Muse

Rise above the crowds,  
And wade through toxic clouds,  
Breach the outer sphere,  
The edge of all our fears,  
Rest with you,  
We are counting on you,  
It's up to you

Spread our codes to the stars,  
You must rescue us all,  
Spread our codes to the stars,  
You must rescue us all,  
Tell us, tell us your final wish  
Now we know you can never return,  
Tell us, tell us your final wish  
We will tell it to the world
