

# Falling Down

Muse

I'm falling down  
And fifteen thousand people scream  
They were all begging for your dream  
I'm falling down  
Five thousand houses burning down  
No-one is gonna save this town

Too late  
I already found what I was looking for  
You know it wasn't here  
No it wasn't here

I was calling your name  
But you would never hear me sing  
You wouldn't let me begin  
So I'm crawling away  
'Cause you broke my heart in two  
No, I will not forget you

Too late  
I already found what I was looking for  
You know it wasn't you  
No, it wasn't you  
Noooooooo

Falling away  
You would never see me through  
No, I could not forget you  
Falling down  
Five thousand house burning down  
No-one is gonna save this town

Too late  
I already found what I was looking for  
You know it wasn't you  
No, it wasn't you  
No

Falling down  
Now the world is upside down  
I'm heading straight for the clouds
