

## Follow Me

Muse

When darkness falls  
And surrounds you  
When you fall down  
When you're scared, and you're lost  
Be brave  
I'm, coming to hold you now  
When all your strength has gone  
And you feel wrong  
Like your life has slipped away

Follow me, you can follow me  
And I, I will not desert you now  
When your fire has died out  
No ones there, they have left you for dead

Follow me, you can follow me  
I will keep you safe  
Follow me, you can follow  
I will protect you.

Ooo, I wont let them, harm, harm you  
Ooo, when, when your heart is breaking

You can follow me, you can follow me  
I will always keep you safe  
Follow me, you can trust in me  
I will always protect you, love
