

# In Your World

Muse

**Ami F C E**  
I'm hurting you again too lonely to pretend

**Ami F C E**  
Like everything is new I promise you to

**Ami Dmi Ami F Ami E**  
Blow it all a----way-----

**G C G C**  
**E Am E Am**

In your world  
**C E Ami E Ami**  
No one is crying alone

No one is dying alone

**Ami F C E**

And just continue that for the rest of the song.
