Muse

Home  
It's becoming a killing field  
There's a crosshair locked on my heart  
With no recourse  
And there's no one behind the wheel  
Hellfire  
You're wiping me out  
Killed by

Drones!  
(killed by)  
Drones!  
(killed by)

You rule with lies and deceit  
And the world is on your side  
You've got the CIA baby  
(you can run but you're never gonna hide, you can run but you're never gonna  
gonna gonna)  
All you've done is brutalize  
(you can run but you're never gonna hide, you can run but you're never gonna  
gonna gonna)  
Drones!

War  
War just moved up a gear  
I don't think I can handle the truth  
I'm just a pawn  
And we're all expendable  
Incidentally  
Electronically erased  
By your

Drones!  
(killed by)  
Drones!

You kill by remote control  
And the world is on your side  
You've got reapers and hawks babe  
(you can run but you're never gonna hide, you can run but you're never gonna  
gonna gonna)  
Now I am radicalized  
(you can run but you're never gonna hide, you can run but you're never gonna  
gonna gonna)  
Drones!
