

The Wave

Mustasch

I don't care if you don't like me
I don't care if I don't groove
All I need is some timing
Then I'm on the move

I'm gonna cross my ocean
I'm gonna explore my sea
I've been ready for ages
Waves of doubt killing me

I've been holding myself on the line
I've been trying to buy me some time

I've been waiting
I'm still waiting

And I'm tired of fighting
I'm tired of standing alone
Standing alone at the platform
To see the last train go

And I explain my excuses
Until the ocean turns red
I've been ready for ages
The tide was all in my head

I've been holding myself on the line
I've been trying to buy me some time

I've been waiting
I'm still waiting
