

One Step Closer to Life

MxPx

Some would say tomorrow is just one step closer to death
I'd say tomorrow is just one step closer to life
And understanding and to know it's gonna be alright

So in conclusion have I made my decisions clear?
With every passing moment of my life this year
Well not exactly so that's what I am doing here

No one's on display
And no one's gonna be passed around today
I won't let it happen, if I can help it
Take your inconsistency away

Would it be right to say that no one ever truly listens?
Or takes the time to understand what something means
Without opinion, bias, without a one-track mind

What can be done to change a habit born in our minds?
First step to Kuros is to take the shells out of our eyes
And then to wonder, enjoy life, maybe even relax, even relax
