

You could never put it  
on a map once you're in  
there's no turning back  
we work together or we  
don't work at all nothin  
you can do will make us fall  
pokinatch! punx!

He's meaningful to us but  
not to you he's the one  
true center of our lives  
his light is shining thro-  
ugh and on to you it's  
your choice he'll always  
be there waiting  
pokinatch! punx!
