

Tie me up, in another world  
Tie me up, tie me down  
Tie me up  
Tie me up, in another world  
In another world  
Tie me up  
Tie me up, tie me up, tie me down

I feel a disconnection  
I am the resurrection  
I know that Jesus loves me  
He is my soul injection (set it free)  
I have divine protection (set it free)  
I know that Jesus (set it free) loves me

I feel a disconnection  
I have divine protection  
He is my soul injection  
I feel a disconnection  
I have divine protection  
He is my soul injection  
I feel a disconnection

Set it free  
Set it free  
I feel a disconnection (set it free)

I am the resurrection (set it free)  
I know that Jesus (set it free) loves me  
He is my soul injection (set it free)  
I have divine protection (set it free)  
I know that Jesus (set it free) loves me

Tie me up, in another world  
Tie me up, tie me down

Silence is deadly beyond the raw  
Violence is ready, sexual outlaw

Anger's a gift that you live  
That you spit  
Words that you say take control of a hit  
That you hold inside  
Anger's a gift that you live  
That you spit  
Words that you say take control of a hit  
That you cannot hide
