

# Do You Wanna Get Funky With Me

My Life with the Thrill Kill Kult

Do you wanna get funky... with me

The lady smiled at me  
When she asked me about the possibility  
That we might spend some time alone  
And among the thoughts that filled my head  
When she looked in my eyes and slowly said  
Do you wanna get funky... with me  
Do you wanna get funky

The idle mind is a playground for the Devil  
Do you wanna get funky with me  
Do you wanna

Do you wanna get funky (do you wanna get funky)  
Do you wanna get funky (do you wanna get funky)  
Do you wanna get funky (do you wanna get funky)  
Do you wanna get funky (do you wanna get funky)

The way she smiled at me  
Told me I have the opportunity  
To see how funky she could be

And when I looked into her eyes  
The fires that the Hell made me realize  
Her flame was burning just for me

Her vader tempted me  
I closed my eyes, it was plain to see  
She was the Devil in disguise

And oh, the message she'd relay  
When she would take my eyes  
Do you wanna get funky with me, do you wanna  
Wow!

The idle mind is a playground for the Devil  
Do you wanna get funky with me  
Do you wanna

It's so hot, I'm movin' up  
It's so hot, I'm movin' up  
It's so hot, I'm movin' up, hot  
It's so hot, I'm movin' up, hot (hot)  
It's so hot, I'm movin' up, hot  
It's so hot, I'm movin' up, hot  
It's so hot, I'm movin' up, hot  
It's so hot, I'm movin' up

Oh no, no, no, no, no, no, no, no, no  
No, no, no, no, no, no  
I wanna set you on fire  
'Cause it's hot, 'cause it's hot, 'cause it's hot

I can't believe we've in  
Love's for love and hurt she said  
I'd love to reach it for my soul

And then I knew I'd have no choice  
But to meet the man with the ghetto voice  
Do you wanna get funky (do you wanna, do you wanna, do you wanna)

The idle mind is a playground for the Devil  
Do you wanna get funky with me  
Do you wanna get funky  
Do you wanna get funky with me  
Do you wanna
