

Foxxxy Rockit

My Life with the Thrill Kill Kult

Young bodies on the prowl...willing to pay buy the mile for a ride in any direction, with any guy

Come on...

You can call me crazy but I know you are insane
I don't feel like fightin', I'll take all the blame
You hit hit once (hit me!), you hit me twice
Now you're gonna pay 'cuz I'm cold as ice
Super bad daddy do it, do it, do it, get down to do it!

Lean, mean and foxy - get down do it!
Lean, mean and foxy - get down do it!

You can call me crazy but I know you are insane
Foxxxy rockit
I don't feel like fightin', I'll take all the blame
Foxxxy rockit
Messin' with my ego, was that your way to fame?
Foxxxy rockit
You can call me crazy but I know you are insane
Get down to it!

You think you're something but you're nothin' at all
I've had more fan talkin' to the wall
You hit hit once (hit me!), you hit me twice
You hit me harder and it felt so nice

Sugar daddy, daddy, do it, do it, do it, get down to do it!

Lean, mean and foxy - get down do it!
Lean, mean and foxy - get down do it!

You can call me crazy but I know you are insane
Foxxxy rockit
I don't feel like fightin', I'll take all the blame
Foxxxy rockit
Messin' with my ego, was that your way to fame?
Foxxxy rockit
You can call me crazy but I know you are insane
Get down to it!

Come on, baby! Hit me! Come on! Look out!

Relax, just relax and tell me what you want...

Lean, mean and foxy - get down do it!
Lean, mean and foxy - get down do it!

You can call me crazy but I know you are insane
Foxxxy rockit
I don't feel like fightin', i'll take all the blame
Foxxxy rockit
Messin' with my ego, was that your way to fame?
Foxxxy rockit

Come on, baby! Come on...
