

## Heelz Afire

### My Life with the Thrill Kill Kult

You keep a secret deep inside  
No one suspects the crimes you hide  
Your love is like a voodoo doll  
You paralyze like alcohol  
A kiss goodnight is a kiss goodbye

Take a chance with her, she's danger!  
Take a look you'll see, she's danger!  
Driven on the heels of fire  
She'll burn you out!

She beats a drum but no one hears  
She cries in pain and no one cares  
Fire dances in her eyes  
Demon goddess in disguise  
Her silent nights are filled with knives

Take a chance with her, she's danger!  
Take a look you'll see, she's danger!  
Driven on the heels of fire  
She'll burn you out!

Take a chance with her, she's danger!

Take a look you'll see, she's danger!  
Driven on the heels of fire  
She'll burn you out!

You keep a secret deep inside
