

## My Kinda Guy

### My Life with the Thrill Kill Kult

She is bad, ooh, she's bad  
You're sexy, try me  
Sounds like my kinda guy  
She is bad, ooh, she's bad

Do you want it hard?  
Do you like it tough?  
You wanna pop me off?  
Wanna suck my stuff?

She is bad, ooh, she's bad

I know you want it bad  
I know you want it rough  
I know you want some more  
You can't get enough

When God packaged me, he did the right thing  
He knew what he was doing  
No, baby... oh, yes, baby  
You're lookin' at what it takes

Oh, no! That's why you're over there  
And I'm over here, mamma  
You're sexy, try me  
Sounds like my kinda guy

Work what ya got  
Please me, baby  
You want it bad, I know you want it bad  
Yeah, won't ya try me, baby

Sounds like my kinda guy
