

Satana Rising

My Life with the Thrill Kill Kult

We believe in Satan and his power
Our power is power of the Devil!

The holes in the wall
I did every one of them
Who's in your hands?
Hating them all away

Our power is power of the Devil!

Trashing the plans
I did every one of them
Smashing your hands
The mouth's that will laugh at them

Tha days the get longer
The words they get stronger
But still I don't miss you
The ways that you say that
The things that you say
Still I don't miss you

I don't miss you...
I don't miss you...

Lucifer, oh Lucifer!
Lucifer, oh Lucifer!

I miss you...
I miss you...

Lucifer, oh Lucifer!
Lucifer, oh Lucifer!

Get out your heavy metal, play it loud for the Devil, hey!
Get out your heavy metal, play it loud for the Devil, hey!

Get out your heavy metal, play it loud for the Devil...
Play it loud for the Devil
Play it loud for the Devil...For the Devil, for the Devil...Devil

The holes in the wall
I did every one of them
Smashing your hands
The mouth's that will laugh at them

We believe in Satan and his power
That he will show himself to us on this night

Get out your heavy metal, play it loud for the Devil!
Hey!
