

Sex On Wheelz

My Life with the Thrill Kill Kult

Ooh baby
Sex on wheelz
Ooh baby
Sex on wheelz

I'll turn you on like a tiger, baby
Hard body, motor city, love life
I'll take you for a ride down the mind way, baby
Be my little human sacrifice

Do my kisses burn?
Do they take your breath?
You've got a lesson to learn, now
I'm the kiss of death

History is written by winners, baby
So let's make a little of our own tonight
If you're thinkin' my idea of fun is a drag
Then you've never been to paradise

Do my kisses burn?
Do they take your breath?
You've got a lesson to learn, now
I'm the kiss of death

Sex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelz

Ooh baby

I'll turn you on like a tiger baby
Hard body, motor city, love life
I'll take you for a ride down the mind way, baby
Be my little human sacrifice

Do my kisses burn?
Do they take your breath?
You've got a lesson to learn, now
I'm the kiss of death

Sex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelz

Sex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelz

Sex on wheelz, sex on wheelz
Sex on wheelz, sex on wheelz
