

The Ultimate Nude

My Life with the Thrill Kill Kult

Burn, to the point of no return
Burn, squirm in the fire like an insect
Burn (burn)
Slinking down the drain
Say what you say
We never listen anyway

Mama cool, I am 3D voodou charmer
Take my hand, we are free
Music was playing too fast
Jazzed up with another sex
Burn
Dreamz of the flesh and the ultimate nude

It's not getting easier
You drive like a fish out of the water
Gone for good
You're just our movie toy

Burn, to the point of no return
Burn, squirm in the fire like an insect
Burn slinking down the drain
Say what you say
We never listen anyway
Burn
