

Wasted Time

My Life with the Thrill Kill Kult

She's gotta work it for the pleasure of the people...

She'll only get lost in your mind

She's gotta work it for the pleasure of the people

She'll only get lost in your mind

Sex kitty dances to the heartbeat of a dreamer

Watch out, you're just wasting your time

With her...

You're just wasting your time

She's gotta work it for the pleasure of the people...
