

Beautiful Love (Wasn't Enough)

My Morning Jacket

Well you gave me the gift of another's love
Of a beautiful love
But it wasn't enough
You gave me the gift of all you had to give
And I had, I had to give it back

Why is my bitter heart so demanding?
So unforgiving of you?
Why can't I be more understanding?
Why's that so hard for me to do?

Well you gave me the gift of another's love
Of a beautiful love
But it wasn't enough
Yeah, you gave me the best of all you had to give
And I had to give it back

Why is my bitter heart so demanding?
So unforgiving towards you?
Why can't I be more understanding?
Why's that so hard, so hard for me to do?
