

Highly Suspicious

My Morning Jacket

Wasting time home alone dotting your Is
Peanut butter pudding surprise!
Ain't nobody care what's going on in your mind
But they got they eye on your prize

I'm highly suspicious
I'm highly suspicious of you
I'm highly suspicious
Highly suspicious of you

Now daddy's got you home alone, solving all your crimes
Peanut butter pudding surprise
Ain't no jokin', smokin', strokin', tapping your lines
Peanut butter pudding surprise

I'm highly suspicious
I'm highly suspicious of you
I'm highly suspicious
Highly suspicious of you

Wasting all your time on drama, could be solving real crime
Waste away your mind too
Oh, hey

I'm highly suspicious
I'm highly suspicious of you
I'm highly suspicious
Highly suspicious of you

I'm highly suspicious
I'm highly suspicious of you
I'm highly suspicious
Highly suspicious of you

Highly suspicious
Highly suspicious of you
Highly suspicious
Highly suspicious of you

Highly suspicious
Highly suspicious of you
Highly suspicious
Highly suspicious of you
