

# Penny For Your Thoughts

## My Morning Jacket

Baby, here's a penny for your thoughts  
I ain't got one more cent to my name  
So, let's a hear what ya got

If you get restless  
Think about going out for a walk  
Take time to enjoy it  
It might be all you got

A penny  
In the well, long gone  
A penny  
On the ground, in the sun  
Make a wish  
Heads up  
Heads up  
Heads up

Baby, here's a penny for your thoughts  
On the ground  
I reach down, but only if it's heads up  
Heads down  
All around, I just let it be  
I don't need no bad luck  
Coming down and just haunting me

A penny  
In the well, long gone  
A penny  
On the ground, in the sun  
Make a wish  
Heads up  
Heads up  
Heads up

Just a penny  
Just a drop in the cup  
Another dime  
Another dollar, it all adds up  
Give it freely  
As if tomorrow might never come  
Make a wish  
Heads up  
Heads up  
Heads up  
Heads up
