

Sweetheart

My Morning Jacket

Slowly, you stroll over where I sit,
you strain crystals but now I'm one within.
Sweetheart, lover, words you use for me,
I yearn to get you forever, to melt you into me.

(Ahhhhhhhhhhhhhhhh)

(Ahhhhhhhhhhhhhhhhhhhhhh)

(Ahhhhhhhhhhhhhhhhhhhh-Ahhhhhhhh)

(Ahhhhhhhhhhhhhhhhhhhh-Ahhhhhhhhhhhhhh)

(Ahhhhhhhhhh)

Slowly, I stroll, over where you sit,
it took so long, now I'm into it.

Sweetheart, lover, I wanted you before,
but when the heart beats next to me I want it even more.
