

Bitter Too

My Passion

Dazzle me today
Because you want to
Make me up
And I become complete

Im a game show king
Youre a bright young thing
And the flesh will win
Glamour and style
On the edge of a brand new day
Dont say brave new world
Im a coward and worse

Bitter like you
Cynical too
Bitter like me
Bitter like

Lock me up in here
Because you want to
Have a little rest
Before we meet

Im a game show king
Youre a bright young thing
And the flesh will win
Glamour and style
On the edge of a brand new day
Dont say brave new world
Im a coward and worse

Bitter like you
Clinical too
Bitter like me
Bitter like

Shes got seats to fill
Ive got a show to steal
Well do you get it now
Dont you forget it now
Get in get out

Im a game show king
Youre a bright young thing
And the flesh will win
Glamour and style
On the edge of a brand new day
Dont say brave new world
Im a coward and worse

Bitter like you
Typical Too
Bitter like me
Bitter like
You
