

The Girl Who Lost Her Smile

My Passion

I saw your eyes the colour
Of the sinner's shoes
I saw the sinner grinning softly
At the bruise

No smile
No smile
No smile

Come alive
Blow my mind
Make her mine
No more lies
Come alive
Blow my mind
Make her mine
No more lies
Come alive

I saw the smile
A mile of glistening maroon
I hear you laughing as the puppet
Plays the tune

No smile
No smile
No smile

Come alive
Blow my mind
Make her mine
No more lies
Come alive
Blow my mind
Make her mine
No more lies
Come alive, yeah

Pay the man honey
Pay the man
Let luck fall
Pay the man honey
Pay the man
Let luck fall

Come alive
Blow my mind
Make her mine
No more lies
Come alive
Blow my mind
Make her mine
No more lies
