## **Tainted Love**

My Ruin

Sometimes I feel I've got to run away, I've got to get away from the pain that you drive into the hear t of me The love we share seems to go nowhere And I've lost my light for I toss and turn I can't sleep at nig ht

Once I ran to you, Now I'll run from you, This tainted love you've given, I give you all a girl could give you, Take my tears and that's not nearly all Tainted love, tainted love.

Now I know I've got to run away I've got to get away, Why ou don't really want it anymore from me to make things righ t you need someone to hold you tight, And you'll think love is to pray but I'm sorry I don't pray tha t way.

Once I ran to you, Now I run from you, This tainted love you've given, I give you all a girl could give you Take my tears and that's not nearly all. Tainted love tainted love, Don't touch me please I cannot stand the way you tease.

I love you though you hurt me so now it's time you pack your th ings and go. Tainted love, tainted love Touch me baby tainted love, Don't touch me baby tainted love, Touch me baby tainted love, Don't touch me baby tainted love Tainted love.
