I really don't give a damn 'cause I ain't the one who's gonna take the loss.

Verse 2: Mýa  
Every other day when it rains it pours  
Livin' in the hood  
And it's so sexy how you change up the weather report you flip back bad to g  
ood, oh, oh  
And you just the kinda man I been lookin' for  
So I'm a hold you down  
And just like Martin needs Coretta, Bonnie needs her Clyde  
And that's just what I found  
In you, oh, oh

H U S T L E you know we  
Run this city baby  
They can't do it like you do  
They ain't got it like you do

Sellin' a 4 & a halves an ounce was the rest
