

Cherry Lips

Mýa

It ain't right
Sitting around here like fine wine
Truth is it gets sweeter with time
And I can tell you miss these cherry lips, yeah baby
Oh baby boy
Just rock the boat back to my shore
Just dock it like you did before, honey
And can't nobody eff with ya, no no

Tonight I'm on a mission, baby
To please ya
And I want you to miss me, baby
Like you need her
Tonight I'm on a mission, baby
To please ya
And I want you to miss her, baby
'Cause she needs ya

It ain't fair, no
With you running circles in my hair, uh
And I'm done with trying not to care, yeah
'Cause all I think about is cherry lips, on you baby
Oh baby boy
Just rock the boat back to my shore
Just dock it like you did before, honey
'Cause still can't nobody eff with ya, ooh baby

Tonight I'm on a mission, baby
To please ya (To please ya, yeah)
And I want you to miss me, baby
Like you need her
Tonight I'm on a mission, baby
To please ya (Please ya, ya)
And I want you to miss her, baby
'Cause she needs ya

You're the one I want
You're the only one I see
Can't nobody else compare
Look what you've done to me
Tonight I'm on a mission
Yes, I'm gonna get you
Make you mine for life
And yes, that's guaranteed
You ain't never gon' leave

Tonight I'm on a mission, baby
To please ya
And I want you to miss me, baby
Like you need her
Tonight I'm on a mission, baby
To please ya
And I want you to miss her, baby
'Cause she needs ya
