

Do It

Mýa

Go on head and do it, (do it)
Go on head and do it, (do it)
Go on head and do it, (do it, yeah)
G-g-go on head and go it, (do it)
Go on head and do it, (do it)
Go on head and do it, do it, do it

I know I made you wait so long, but I've been cravin' for ya
I've been missin' ya, wanna summit to ya
And boy when you get off, I'm a go off
Let's take it, all the way
I'll do more than kiss on ya
Show you how I switch it up

Dancin' in my thong, I know I'm so wrong
Put you in a zone, while I loosen up
Better buckle up, bout to put you on
Gonna get you gone
I'm a make you say I like it
I like the way you do it girl
I like it when you say it, say it
Ooh, I like when you say do it girl
I like it when you say it, say it

Go on head and do it, (do it)
Go on head and do it, (do it)
Go on head and do it, (do it, yeah)
G-g-go on head and go it, (do it)
Go on head and do it, (do it)
Go on head and do it, do it, do it

Ask me no questions, cause I'm takin' over
Boy I'm addicted to ya, and you know how I feel when we're in love
I'm a get freaky nasty, l-l-let you have it
I'll give you that special treatment if you let me
Bodied up and down like hydraulics
I'm a switch it up on your body

Dancin' in my thong, I know I'm so wrong
Put you in a zone, while I loosen up
Better buckle up, bout to put you on
Gonna get you gone
I'm a make you say I like it
I like the way you do it girl
I like it when you say it, say it
Ooh, I like when you say do it girl
I like it when you say it, say it

Go on head and do it, (do it)
Go on head and do it, (do it)
Go on head and do it, (do it, yeah)
G-g-go on head and go it, (do it)
Go on head and do it, (do it)
Go on head and do it, do it, do it
