

Let's Go to War

Mýa

They call it dirt, I call it fresh, fresh
I don't think you really wanna go the war but let's let's
Keep saying no two steps, I'm making moves and that's that
Kicking it, kicking it, now stop and take a breath breath (a br
eath)
Fellas bad, I hear it like a gavel, stroking like a paddle
Then tell my competition to start walking like a travel oh (a t
ravel)
'Cause it really don't matter if they really wanna go the war,
here we at

If you really wanna, really wanna, go to war
Let's go (let's go) let's go
If you really wanna, really wanna, go to war
Let's go (let's go) let's go

Dancing, shaking, prepping, kicking, posing, chasing, are you k
idding
Those are just some basic moves, basic moves for crews like you
Popping, taking, flying, prepping, breaking, freezing, that's t
he tidest
Victory goes easy for the loose end, pop and breach
Show them those ideals, copy us to get the title
We can do this b-boy style, who's the parent and his child
Let me teach you how to dance then next time you stand a chance
I can put you in a daze when we done you'll be amazed

If you really wanna, really wanna, go to war
Let's go (let's go) let's go
If you really wanna, really wanna, go to war
Let's go (let's go) let's go

Slow down, slow work, slow

Floating, floating, floating, floating, ah
Floating, floating, floating, floating, ah
Floating, floating, floating, floating, ah

If you really wanna, really wanna, go to war
Let's go (let's go) let's go
If you really wanna, really wanna, go to war
Let's go (let's go) let's go

If you really wanna, really wanna, go to war
Let's go (let's go) let's go
If you really wanna, really wanna, go to war
Let's go (let's go) let's go
