

# Manaholic

Mýa

Hi, My name is Mya, and I'm a manaholic  
(Hi Mya)

I'm hooked like Gin and Tonic, Purple Chronic  
(Chronic)  
(Chronic)

Whippin' through the city  
Got my girls ridin' with me  
'Bout to go to the spot where the wheels be spinning  
And the yak be spillin', posted up top  
That fitted Yankee and nothing else on  
Everybody showin' love tonight  
Drop a buck fifty at the bar, who's with me  
Everybody tried to holla, fly dudes try to take me  
It's a shame, it's a pity oh well, tough tity  
Cause you're the one that's on my mind  
I can't get away, (can't get away, get away)  
I can't get away, (can't get away, get away)  
Goin through withdrawal, I need it  
I need to feel your touch, feel your love  
I need to see your face  
I can't get away, (can't get away, get away)  
I can't get away, (can't get away, get away)  
On the highway, I'm on my way, I'm coming back to you

I'm a manaholic, that's what I gotta call it  
You the man that I need, and I need you now  
Save me, change me, you make me  
A manaholic, that's what I gotta call it  
You the man that I need and I need you now  
Save me, change me, you make me

I'm a manaholic, I'm a manaholic  
I'm a mana, I'm a mana, I'm a mana  
I feining for your love, your touch, come save me right now

Now I'm here, just stopped by to get my fix  
And do your tasty lips, and your cologne  
That fitted Yankee and nothing else on  
Baby you got me gone boy, I'm so gone

Can't get away, (can't get away, get away)  
Can't get away, (can't get away, get away)  
Goin' through withdrawal, I need it  
I need to feel your touch, your love, and see your face, let's

Let's can't get away, (can't get away, get away)  
Let's can't get away, (can't get away, get away)  
I'm always here, coming back to you

Just a manaholic, that's what I wanna call it  
You the man that I need, and I need you now  
Save me, change me, you make me  
A manaholic, that's what I gotta call it  
You the man that I need and I need you now  
Save me, change me, you make me a manholic

I'm a manaholic, I'm a manaholic  
I'm a mana, (let the beat rock)  
I'm a mana, I'm a manaholic  
I'm a manaholic

Ba ba ba da ba da, ba ba ba da, oohh  
Yeah

I'm hooked like gin and tonic, purple chronic  
Damn it feels good when you push up on it and ride  
It's bonafide, this addiction, everytime you leave boo  
You the one I'm missing, I'm a addict  
Damn I got to have you like the smoke I need the pipe  
You know what I like that's right  
I don't want it, but I need it

I'm a manaholic, that's what I gotta call it  
You the man that I need, and I need you now  
Save me, change me, you make me  
A manaholic, that's what I gotta call it  
You the man that I need and I need you now  
Save me, change me, you make me

I'm a manaholic, that's what I gotta call it  
You the man that I need, and I need you now  
Save me, change me, you make me  
A manaholic, that's what I gotta call it  
You the man that I need and I need you now  
Save me, change me, you make me

A manaholic  
A manaholic  
A manaholic

Look at me

I'm hooked like gin and tonic, purple chronic  
(chronic)
