

# No Sleep Tonight

Mýa

You keep it tight, hit me off how I like  
Every day, Every night  
That's why we're doing fine  
And when you're gone  
It's never for too long  
You always come back home  
And give me what I want

It's 12 am, drop off my crew  
1 am, I'm callin' you  
2 am, what you wanna do tonight, tonight  
3 am, you're leavin' the club  
4 am, we'll be makin' love  
And we can't stop 'til you get enough tonight, tonight

You give me all the love I need and  
You always bring it home to me  
I bet you don't get no sleep tonight  
I bet you don't get no sleep tonight  
You give me all the love I need and  
You always bring it home to me  
I bet you don't get no sleep tonight

They say I'm shy  
But you know that's a lie  
I'll be over tonight  
So I can blow your mind  
Our love is deep  
The kind you just don't see  
I give and you receive  
Just tell me what you need

You give me all the love I need and  
(Only you...) You always bring it home to me  
(Only you...) I bet you don't get no sleep tonight  
I bet you don't get no sleep tonight  
You give me all the love I need and  
(Only you...) You always bring it home to me  
(Only you...) I bet you don't get no sleep tonight

Baby I wanna give you my everything  
For all the joy that you bring  
Baby I'm gonna show you  
How special you are to me  
And tonight, I bet that you won't sleep  
(Only you) No (Only you) Only you baby  
I bet you don't get no sleep tonight
