

# Paradise

Mya

Mya

I wanna welcome you to paradise (paradise)

Sean Paul

Searchin for the right lady

Searchin for the right baby

Refix the remix

Yo yo yo yo

Girl yuh too bad, yuh too bad

Oh oh oh oh

Mya tell yuh gone with yuh bad self

You ah paradise

Every man out ah see it and kno

Girl yuh too bad, yuh too bad

Oh oh oh oh

Mya tell yuh gone with yuh bad self

You ah paradise

See yuh light juss ah shine an glow

Yo ...Ima tell yuh straight up girl an no lie

All my life Im searching to reach paradise

Got house an land, fast car an big bike

Fresh gear, kicks and shoes with bear ice

But nuttin ina d world could mek me feel nice

If I dont got the right girl by my side

I can see girl right in your eye

You ah the real top numba one prize ...Miss paradise

Mya

Welcome to the Garden of Eden

I call it heaven (heaven)

I like to call it even paradise (welcome to paradise)

It takes my heart and mind away

And it makes you wanna stay

You just might fall in love

Id like to welcome you to paradise

Sean Paul

Searching for the right lady (welcome to paradise)

Searching for the right baby (ohhh, welcome to paradise)

Mya

Boy you so bad, you so bad

Oh oh oh oh

True gentleman with swag

Just sexy laidback, sunshine everywhere you go

Boy youre so bad, youre so bad

Oh oh oh oh

Wanna welcome you to my castle

You aint gotta ask

Got the key now open that door, to my paradise

Now listen to the beat of the Congo

Like two animals of the jungle making love (making love)

Like we do

Shooting stars and rainbows

Awaiting to be seen

Here you find your pot of gold ...If you just come and see

Mya

Welcome to the Garden of Eden

I call it heaven (heaven)

I like to call it even paradise (welcome to paradise)

It takes my heart and mind away

And it makes you wanna stay

You just might fall in love (alright)

Id like to welcome you to paradise ( yo yo, mi sing say )

Sean Paul

Baby girl, one look ina yuh face

You mi wanna hug up, squeeze up and embrace

You ah the number one queen for the place

Love how you hold it with style and grace

Love how you got taste

Gyul ah you mi fi chase

Around the world because you got the paradise key

Paradise key, paradise key

My girl cause yuh know say you great

Mya

Welcome to the Garden of Eden

I call it heaven (heaven)

I like to call it even paradise (welcome to paradise)

It takes my heart and mind away

And it makes you wanna stay

You just might fall in love

Id like to welcome you to paradise

Mya

Uh oh (welcome to paradise)

Uh oh, I like (welcome to paradise)

Uh oh, you love me (welcome to paradise)

So happy you're here (welcome to paradise)
