

# Ride and Shake

Mýa

Uh, uh What? uh  
Who me? (yeah)  
Let's ride and shake (come on)  
(Shake it)  
Uh, uh, yeah  
Let's ride and shake

Now you know you're looking good  
Lookin' damn fly  
Can't help but fully notice you from the corner of my eye  
Yeah I got a man at home  
But the conversation's old  
He think he slick ain't doing right  
But now he's got to go  
I caught them at the shelf at a quarter past twelve  
Creeping in my alley  
But I told her to the left  
Tell me what'cha gonna do  
Cause I'm 'bout to make my move  
Say yes without the pressures  
Cause boy I'm ready to

Gon' ride, ride, ride  
Shake, shake, shake  
You and me one on one  
Without a break  
We gonna ride, ride, ride  
Shake, shake, shake  
We can get together baby starting today

Now I know that you want me  
Just as much as I want you  
You ain't got to lie, you ain't go to front  
So why don't ya tell the truth?  
As of now we send the past  
Not enough time for being sad  
I'm a sexy shaker, girl move on  
And don't you move to fast

See you know how the game is played  
If it was you, you'd put her through the same thing  
Are you with that it is wrong?  
Now can we please get it on?  
You're the only that knows can we get down now

Turn off the car lights  
And hold me tight  
When we touch, when we rub  
When we kiss, when we hug  
Show me love till I can't get enough  
Do you understand?  
Feel my plan?  
(Ride, ride, ride)  
It's all about you  
(Shake, shake, shake)  
Forget my man
