Myka Relocate

Let's go  
I've been waiting for far too long  
I've had enough, I've had enough of you  
I'm sick of trying  
Tired of searching  
Where did it all go wrong?

Are you ready yet?  
Are you ready to be the only one  
To be the only one for me?  
Are you ready yet?  
Are you ready to be the one I need?

I'll be fine  
Knowing only you could be the answer  
(The answer)  
Walk on by  
Knowing only you could be  
The one to save my life

Step back  
Take a look at the road you're on  
You've carried this weight for too long  
I know in the end it will crush you  
You're on your own  
You're all alone now

Are you ready yet?  
Are you ready to be the only one  
To be the only one for me?
