

The Closer I Get To You

MYMP

The closer I get To You
The more you'll make me see
By giving me all you got
Your love has captured me
Over and over again
I try to tell myself that
We could never be more than friends
And all the while inside
I knew it was real
The way you make me feel
Lying here in you arms
Time just seems to fly
Needing you more and more
Lets give love a try
Sweeter than sweeter love grows
And heavens there for those
Who fool the tricks of time
With hearts of love define
True love
In a special way
The closer I get to you
The more you make me see
By giving me all Ive got
Your love has captured me
Over and over again I try to tell myself that we could never be
more than friends
And all the while inside
I knew it was real
The way you make me feel
