

# Nobody's Lives

Myrath

Life is not fading away  
The future goes back in time  
Don't have a real existence, this is nobody's life

Don't wait for any guidance  
Choices have been so hard  
There are countless ways, until you finally decide

Maybe this life is the right one, the right one

They missed the mark  
Here on my mouth  
Then came the light...

Every path is the right way  
Life's only a playground  
But now the call is sudden, claiming all of my lives

Now it's time to face blindness  
I'm not afraid to die  
But I do know well, I haven't been enough alive

Maybe this life is the right one, the right one
